

**HISTORICAL DIVING SOCIETY**  
in Denmark invites to  
**EUROPEAN**  
**HISTORICAL DIVING EVENT 2018**  
in Ebeltoft  
24 - 26 August 2018

**EHDE**  
**2018**

**European Historical Diving Event is collaboration between the Nordic historical diving societies, which in turn organizes an annual event for their members and diving historic enthusiasts from other countries. This year's event is organized by the Historical Diving Society in collaboration with the Frigate Jutland.**

The main element of the event is to create a framework where European enthusiasts in historical diving can meet and share knowledge under the best social conditions.

In addition, the event will offer lectures, guided tours on the Frigate Jutland, film show, diving with historical diving equipment and visit to the store room of the Historical Diving Society.

#### **Programme**

Friday the 24th:

1900 Get Together Barbecue at the Ebeltoft Naval Association hosted by the Diving Society. Beverages to be bought. (Participants with companions and other invited)

Saturday the 25th:

1000 Opening of the event and lectures in the auditorium of the Frigate Jylland.

1200 Lunch consisting of burger or other with a soft drink (Included in the participant fee).

1300 Diving with historical diving equipment in the Frigate Harbour.

1900 Buffet dinner at the Ebeltoft Naval Association (Included in the participant fee). Beverages to be bought. (Participants with any companions and other invited)

Sunday the 26th:

1000 Tour of the Frigate Jutland.

1100 Film about the salvage of the Kolding kogge is displayed in the auditorium of the Frigate Jylland.

1200 Skipper Lobscouse on the gun deck of the Frigate Jylland hosted by the Frigate Jylland.

1300 Visiting the store rooms of the Historical Diving Society

#### **Our lectures**

- Drägerwerk Injektor Apparatuses DM 20 og DM 40 by *Philip Nathansen*
- The salvage of Al Kuwait i Kuwait Harbour in 1964 using Krøyer Balls by *Sven Erik Jørgensen*
- Wreckers and Salvors before the diving bell by *Finn Linnemann*

#### **Diving with historical diving equipment**

Philip Nathansen and the Society will bring the following appliances: The Danish 2-bolt Helmet, The Miller-Dunn Divinhood Style 3, The Snert Open helmet, the Dräger DM 40 Injector, the US Navy Mk V 12-bolt, the DC 55 Mixed gas apparatus and the Dräger Model 138 oxygen apparatus.

To the extent that time permits, there will be opportunities for participants to test the devices.

Participants are invited to bring their own historical diving equipment and report this to the event master in connection with the registration.

#### **Participation**

The numbers of participants are limited to 60 and here is the principle: First come first served....

The participants provide for the necessary accommodation. See selected accommodation options below.

The participant fee is DKK 500,00 and is payable on arrival, It includes lunch and dinner on Saturday except beverages at dinner.
